The following must be agreed to by the customer before activation of a new line of service can be completed:

- Credit Score:** Q0 Q00 Q Q1 Q2
L0 L00 L L1 L2
T0 T00 T T1 T2

_____ Customer understands there will be a one-time ASL Enrollment Fee of \$100 per phone due prior to activation and that this fee is non-refundable.

_____ Customer agrees to pay applicable deposits prior to activation.

_____ Customer understands that balances are run nightly to determine spending limit thresholds.

_____ Customer understands that depending on their credit score, certain ASL actions will occur when the balance on their Nextel account reaches a certain per phone average balance. Customers can view their predetermined limits by going to nextelconnections.com/asl. Such actions include:

- Possible notification by text message that their Spending Limit is almost reached.
- Once the Spending Limit is reached, all outgoing services will be restricted.
- Possible 2nd notification by text message that the Suspension Limit is almost reached.
- Once the Suspension Limit is reached, all services will be suspended and a \$25 per phone fee will be assessed to the account.

_____ Customer understands that failure to receive spending limit notifications does not relieve customer from the responsibility for paying the entire amount set forth on the invoice by the due date.

_____ Customer understands that they may make payments at anytime to reduce their Per Phone Average Balance unless they are suspended for Non-Payment at which time they will need to pay the full amount outstanding on the account to be restored.

_____ Customer understands they must pay the entire amount set forth on the invoice by the due date.
